

Samsung SMART Signage DME-BM

Ready-to-use, All-in-one Hybrid Touch Interactive Whiteboard(IWB) Solution Package for Corporate and Educational Organizations

Hybrid Touch Interactive Whiteboard Solution with Magic IWB Software

Samsung's Interactive Whiteboard(IWB) Solution comes equipped with Samsung's Smart Signage, Touch overlay, Pen Tray, Pen, and embedded MagicIWB software. This integrated All-in-One solution for your business or educational space allows you to unleash the potential of your presentations while increasing overall productivity.

Easy to use with superior picture quality

Flexible PC-less solution reduces set-up time and the convenient Pen Tray along with a full range of connective capabilities simplifies the complexity around Interactive Whiteboard usage. With 5000:1 Contrast Ratio and anti-glare touch overlay, viewers experience superb visibility in their classrooms and meeting rooms.
