

SPACE GAMING MONITOR

SR75Q

Reclaim Your Game Space

Experience true immersion with a 32" screen that grabs you into the heart of the action. After you've conquered your enemies, push the Space Monitor flat against the wall for more space. When you're ready for your next game marathon, just pull it back towards you.

144Hz Refresh Rate

Space Gaming Monitor's lightning-fast 144Hz refresh rate ensures flawlessly smooth action scenes even in games with high frame rates. Adjust the refresh rate to 60Hz/120Hz when necessary.

AMD FreeSync

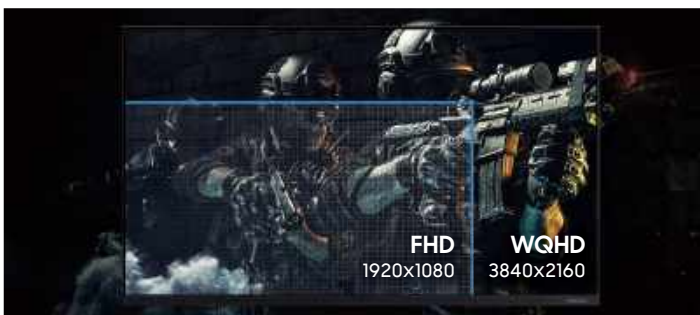

Superfluid entertainment experience. AMD Radeon FreeSync™* keeps your monitor and graphics card refresh rate in sync to reduce image tear and stutter. Watch movies and play games without any interruptions. Even fast action scenes look seamless and smooth.

Adjustable Eye Level

Your eyes on victory. The Space Monitor's zero-level height adjustable stand lets you find the perfect spot to look down on all your opponents. Quickly and easily adjust the monitor from sitting flat on the desk to flush against the wall or any other height in between.

WQHD Resolution

Your gaming world, more lifelike than ever before. Packing in 1.7 times the pixel density of Full HD, Space Gaming Monitor's WQHD resolution boasts incredibly detailed, pin-sharp images. Experience a more encompassing view with maximum space to take in all the action.

Easy Installation

Easy to install. The integrated clamp enables quick installation. Adjustable up to 3.54" (90mm), it allows the Space Monitor to be securely attached to desks and tables with a wide range of thicknesses.
